"Ciaobatta" spa sandal by Delfino

The comfort, safety and hygiene of the unique "Ciaobatta" spa sandal make it the perfect choice for clients of exclusive spas.

Made in Italy, the "Ciaobatta" has a number of other advantages. It can be worn in both the wet and dry areas of your spa. It dries rapidly and is extremely comfortable thanks to its 6 mm thick slip-resistant sole. It is very easy to assemble.

The "Ciaobatta" can be customised with your logo if you order 500 pairs or more. It is straightforward to stock, as it is only available in two sizes: 35/40 for women and 40/45 for men. It is also ideal for the international market because it comes in a transparent bag with the assembly instructions written in 5 languages.

Colours: white, orange, chocolate brown. Other colours possible if you order 3000 pairs or more.
