2010 TENDENCIES SPA DECO & DESIGN: ART UNIC

The latest edition of the MAISON & OBJET Trade show, held last September, managed to improve its strategy by combining Creation and Innovation. For 5 days, over 70,000 professionals, both national and international filled the aisles of this benchmark show to discover the tendencies of tomorrow. This year there was a NEW space devoted to well-being, on Spa Interiors & Scents. A new section ritualising home comforts, and in particular, capturing the rapid expansion of spa hotels and day spas providing visitors with all the latest ideas for creating spaces conducive to recharging one's batteries. Our favourites and latest discoveries can be found throughout the stands!

ART UNIC, ecological architectural trellis

Fascination for the new Duralmond architectural trellis collection distributed by ART UNIC, a wide range of large scale pieces for all your interior and façade needs. Duralmond is a compound material obtained from crushed almond shells mixed with synthetic resins which...
